

As our society reopens, businesses have to adapt and innovate to keep up with our new environment. AlphaGraphics with its locations in Wilmington and Newark is a proud member of DRA and is your local trusted partner in your reopening strategies. We specialize in printing, signage and mailing services.

Contact us for wall graphics, window clings, pull up banners or floor graphics. We also can produce single use menus that will look good and be affordable. For ease of reordering, we offer online ordering and delivery/pickup options.

We can also do print and mailings, either via EDDM to certain postal routes or we can procure mailing lists of your choice and mail postcards, tabbed menus or any other marketing piece you would like.

We have prepared a pricing schedule for DRA members for disposable menus. Please contact us at us177@alphagraphics.com or call us at 302-477-1884 for any printing, signage and mailing needs. More information is at <https://www.alphagraphics.com/centers/wilmington-delaware-us177.html>
